### NO ARGUMENT NEEDED.

Every Sufferer From Catarrh Knows That Salves, Lotions, Washes, Sprays and Douches Do Not Cure.

Powders, lotions, salves, sprays and inbalers can not really cure catarrh, because this discuse is a blood disease, and local applications, if they accomplish anything at all, simply give transient relief.

The entarrhal poison is in the blood and the nucous membrane of the nose, throat and traches tries to relieve the system by secreting large quantities of myons, the discharge seme times closing up the nostria, dropping into the favout causing definess by cicaling the ensacolan tubes, and after a lime causing magning of servers. leafness by closing the enstacolan tubes, and sifter a sime causing entarth of stom selb or sections throat and long troubles.

A remedy to really cure catarra must be an internal remedy which will cleaned the blood from entarrhal poison and remove the ferer and congestion from the second manufacture.

move the terer and congestion from the mucous membrane.

The best and most modern remedies for this purpose are antisepties scientifically known as Red Gum, Blood Root and Hydramin, and while each of these have been successfully used separately, ret it has been difficult to get them all combined in one palatable, convenient and efficient form. Orm.
